APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second.

Actual construction work shall begin on or before July 1, 1936

Proof of commencement of work shall be filed before August 1, 1936

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1938

Proof of completion of work shall be filed before August 1, 1938

Application of water to beneficial use shall be made on or before

July 1, 1939

Proof of the application of water to beneficial use must be filed with State Engineer on or before August 1, 1939

Map Filed NOV 21 1933

Proof of commencement of work filed NOV 1 1936

Proof of completion of work filed MAY 21 1940

WITNESS MY HAND AND SEAL this 29th day

of April

1936

Cancelled APR 6 1942 because of failure

of applicant to comply with the provisions of permit

Alfred Willemin
State Engineer.

This permit is issued subject to all prior rights. It is understood that the 1.0 cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. It is further understood that this permit applies only to the waters of the lower McCarthy Springs in the bottom of Limerick Canyon and lying southerly of the main traveled road.

In accordance with the findings of the State Engineer dated February 25, 1936, this permit is subject to immediate cancellation at any time upon a showing that permittee is not proceeding in good faith and with reasonable diligence to perfect the proposed appropriation. The State Reserves the right to regulate the use of the water herein granted at any and all times.
